## OVERVIEW

SB 1399 requires the State Land Commissioner and the Director of the Department of Water Resources to develop a plan to construct a potential new water storage facility on state trust land.

## PROVISIONS

1. Requires the State Land Commissioner and the Director of the Department of Water Resources to consult, use the resources of their departments and cooperate to develop a plan to create additional water storage, including identifying the six most acceptable locations to build a potential new water storage facility on state trust land.
2. Requires a report of the departments' activities be submitted to the following on before December 31, 2017:
  - a. The Governor;
  - b. The President of the Senate;
  - c. The Speaker of the House of Representatives;
  - d. The Members of the Senate Committee on Water and Energy;
  - e. The Members of the House of Representatives Committee on Agriculture, Water and Lands; and
  - f. The Secretary of State.
3. Sunsets the Committee on October 1, 2018.
